## Take the AFP CE Recertification Quizzes

After you've finished reading this issue, head over to the CE quiz page and take the latest Exchange quiz. CE credit quizzes allow CTP, CCM, and FP&A holders to test their knowledge on timely industry topics. They are accepted as credits for recertification. An online format allows for automatic pass/fail notification.

Quizzes are valid for two years from the date the source material was originally published. You will have 90 days from the date of purchase to complete a quiz, although you should complete the quiz before the end of your reporting cycle.
